28<sup>th</sup> June – 1<sup>st</sup> July 2016  
Heraklion, Crete, Greece

## THE 33<sup>rd</sup> ANNUAL CONFERENCE

Heraklion 18/08/2016

### **To whom it may concern**

---

Now that the dust of the **33<sup>rd</sup> CGI (CGI'16 - Computer Graphics International Conference 2016, Heraklion, Greece – June 28<sup>th</sup> to July 1<sup>st</sup>, 2016)** has gone down, the conference organizing committee would like to express their sincere gratitude to the **Tourist Guides of Crete** Travel Agency, for the outstanding organization of the whole CGI'16 event.

During the preparatory period, the actual CGI'16 event, and the post-conference activities, **Tourist Guides of Crete** worked and exhibited a particularly professional attitude, cooperated with us most productively, and eagerly / effectively responded to any issue that came up during such a demanding organization. All in all, the great success of CGI'16 should (among other contributors) also be credited to the **Tourist Guides of Crete** Agency, whereas the outstanding organizational realization should be fully credited to them! In particular, we feel mostly happy to express a big **Thank You** to Marinela Mamalaki and Vicky Leivadarou for the excellent and professional way they carried out all conference related businesses.

We are pleased to most highly recommend **Tourist Guides of Crete** for the successful organization of any conference in the future.

Best regards,

Prof. George Papagiannakis  
Chair of CGI'16 Conference

Prof. Panos Trahanias  
Program Chair of CGI'16 Conference
