To all our Colleagues in Crete

As we now look back on our 20th Annual General Meeting and Delegate's Meeting in the city of Heraklion from the 20th to the 25th of November, we would like to thank you all for this most successful of encounters.

You, with the help of your sponsors, hosted a truly wonderful meeting which has not only set a new high standard for the organisation of our annual meetings, but created a most memorable and lasting impression of your beautiful city of Heraklion, as well as the countryside and monuments of Crete.

The Tourist Guides of Crete showed off with great pride the monuments and cultural heritage of their respective areas. They were truly the Ambassadors of Excellence of Crete, showing impressive knowledge and skill.

We once again sincerely thank you and all of the sponsors who gave such invaluable support for this event, which surpassed all our expectations.

We are so glad that we have had this opportunity to get to know your great city and region, and are sure that all who were present will be speaking of it for a very long time to come.

Seasons Greetings to all from the ExCo,

Yours sincerely
